

SURGE

OFFERING DECLARATION

Father because of our partnership with you, we declare that our giving will cause a surge in the Kingdom and in our personal advancement.

Father we declare as a united body, this is our season to surge into greatness.

Father we declare a thousand fold return on our Surge Offering.

Father we declare opportunity and doors to swing open for us in our careers and businesses.

Father, just as the disciples of the new testament church experienced a surge of spiritual power that literally changed the world, when suddenly there came out of heaven the sound of a wind and cloven tongues of fire that sat upon each of them through their obedience to the voice of Jesus and gathering at the upper room to receive the promise of God.

Father we too, have gathered in this season to receive the promise of global ministry. Through our obedience to give in the Surge Offering, we will experience an onrush of increase that will propel us into our next season of great grace.

We declare a Surge in our service to our community.

We declare a Surge in our service to our church family.

We declare a Surge in our service to the planet globally.

Father this is our season to Surge forward into greatness.

In the name of Jesus

- Amen
